

FRANKLIN FIREBALL

JANUARY 14, 2019

Franklin Township School District Mission Statement

To provide all students with experiences and opportunities through integrated instruction, that will help them acquire the knowledge, skills, behaviors, and attitudes necessary to become exceptional members of society.

New Year and reminder of District Goals

As we head into a new calendar year, I would like to remind our Fireball community of the goals your board of education established at the beginning of the school year. Although every aspect of your child's education is important, each year we focus on certain topics. Please take a look and know that we are doing our best to work towards these goals.

Goal 1: Continue to implement best practices for utilizing technology as an innovative means of achieving STEAM objectives.

Goal 2: Implement best practices to foster an environment that promotes health and wellness of the school community.

Goal 3: Update procedures for emergency management and communicate those to the school community effectively.

Goal 4: Effectively communicate District information via social media and other outlets.

Showcase

The dates for the Showcase have been set. Warren Hills Auditorium is not available this Winter unfortunately. After lengthy discussion, we've decided to have the Showcase here at Franklin!!! We are going to split the performance into two performances. One performance will be held on **Wednesday, March 13 for grades K - 3** and **Thursday, March 14 for grades 4 - 6**. Thank you in advance to all of our teachers for being flexible to creatively adjust! 6th graders involved in Dance/Set Design/Drama will be at both performances. Look for more details.
