

Membership is for Everyone!

PTA is a membership organization and your Franklin Township School PTA relies on your membership to be able to provide quality programming that compliments each child's academic studies. The PTA's activities and programs are designed to enhance our children's education. The PTA uses its portion of your membership dues to enrich our students' cultural and academic programs. In these times when state funding is not readily available, parents and teachers can make a huge difference in the education of our children. If we combine our resources and work together we can do just that - make a huge difference at our school.

Please join the PTA today to help enrich the lives of our children. Our objective is to increase our membership by including both parents and guardians of each of our students as well as all teachers and staff members. Membership is only **\$7.00** per person. Please join by filling out the attached membership form and enclosing **\$7.00** per person in cash or check made payable to **Franklin Township PTA**. You may use one envelope for all members in your household. Upon completion, please return it to the school with your child or to the main office. Your membership card will be emailed to you.

You can also sign up online at Memberhub.

We hope to be able to **welcome** you into our membership, as your Franklin Township School PTA is in great need of people for both membership and participation in order to maintain the high-level programming provided in the past. We ask that you send in your membership today and we thank you very much for your continued support in our endeavors to provide quality educational experiences for all of our students at Franklin Township School.
